

Take your business to a higher level of Business Aviation excellence.

The Middle East and North Africa Business Aviation Association (MEBAA) is the official representative of the business aviation industry in the Middle East and North Africa (MENA) region and is a member of the International Business Aviation Council (IBAC). MEBAA is a non-profit association established in 2006 with the mission to provide a platform for members of the business aviation industry in the MENA region to gather, understand and communicate the needs and benefits of the industry.

Operator: \$3,500 per year

A commercial or industrial enterprise, a government entity, or a non-profit organization engaged in general, business, or private aviation as an aircraft operator that works in business, commerce, trade or industry activities and owns, manages or operates one or more aircrafts, provided that such aircraft is registered as private or on-demand commercial transportation and operates in MENA region

Supplier: \$3,500 per year

A commercial or industrial enterprise, a government entity, or a non-profit organization engaged in business, commerce, trade or industry activities and provides hardware, software, support or any services to Operators

Affiliate: \$1,750 per year

A commercial or industrial enterprise, a government entity, or a non-profit organization not meeting the requirements for either Operator or Supplier
